Looking back....

We have had an eventful term at Summerfield. The sad loss of our beloved student Charlie Jay has impacted greatly on staff and students alike and the end of another year has caused us to reflect on the fragility of life and how we should all value each other. Our pupils honoured his memory on the day of his service producing an installation of art

Winter Wonderland

The worst snow in four years has caused the closure of our school site for two days earlier in December. With a promise of a harsh winter I would urge you to check our website for future closure details in case of poor weather.
