WHAT IS SOLIHULL PARENT CARER FORUM?

The Solihull Parent Carer Forum is a voluntary group of parents of children with additional needs. We work with (but are independent from) Solihull Local Authority to ensure the services they plan and deliver meet the additional needs of children and young people, as well as the standards required by law.

We do this by ensuring they are informed of parents' and carers' opinions and the issues that they face, in the service areas of Health, Education and Social Care. If you'd like to join our membership please visit our Facebook Page!
