Introduction:

Since 1 September 2003 governing bodies (GBs) of all maintained schools and maintained nursery schools in England have been required, under Section 29 of the Education Act 2002, summarised in Annex A, to have in place a procedure to deal with all complaints relating to their school and to any community facilities or services that the school provides. This does not limit complainants to parents or carers of pupils registered at a school. A complainant could be a member of the wider community or representing an ex-pupil. The law also requires the procedure to be publicised.

The majority of issues raised by parents, the community or pupils, are concerns rather than complaints. Summerfield Education Centre is committed to taking concerns seriously, at the earliest stage, in the hope of keeping the number of formal complaints to a minimum and without needing formal procedures. However, depending on the nature of the complaint, you may wish or be asked to follow the school's formal complaints procedure. The prime aim of Summerfield Education Centre's policy is to resolve the complaint as fairly and speedily as possible. Formal complaints will be dealt with in a sensitive, impartial and confidential manner.

The following details outline the stages that can be used to resolve complaints.

The Summerfield Education Centre Policy has four main stages.

In summary they are as follows: -

- Stage 1 (informal): concern heard by an appropriate staff member
- Stage 2 (formal): complaint heard by Head Teacher;
- Stage 3 (formal): complaint heard by Management Committee
- Stage 4 (formal): complaint heard by GB's complaints appeal panel.

Stage 1 – concern heard by staff member

Concerns can be raised with the school at any time and will often generate an immediate response, which will resolve the concern. The school requests that parents make their first contact child's teacher or teaching assistant. On some occasions the concern raised may require investigation, or discussion with others, in which case you will receive an informal but informed response within a day or two. The vast majority of concerns will be satisfactorily dealt with in this way. However, if you are not satisfied with the result at stage 1, please write to or telephone the School within 10 school working days. The School will then look at your complaint at the next stage.

Stage 2 – complaint heard by Head Teacher

The Head Teacher may delegate the task of collating the information to another staff member but not the decision on the action to be taken. The Head Teacher will arrange for the complaint to be acknowledged within 5 school working days of receiving it and a meeting may be convened to discuss the matter further. Following the investigation, the Head Teacher will aim to provide a written response within 10 school working days of sending the acknowledgement. However, if a complaint is more complex to review this can be extended to a maximum of 20 school working days. The School will provide you details of the new deadline and an explanation on the delay. If you are not satisfied with the result at stage 2 please write to or call the school within 10 school working days of getting our response. The School will then escalate at your complaint at the next stage

Stage 3 – complaint heard by Management Committee

If the matter has not been resolved at Stage 3 or the complaint is about the Head Teacher, then you will need to write to the Chair of Management Committee c/o the School. The Chair of Management Committee will arrange for the complaint to be acknowledged within 5 school working days of receiving it and a meeting may be convened to discuss the matter further. Following an investigation, the Chair of Management Committee will aim to provide a written response within 10 school working days of sending out the acknowledgement. However, if a complaint is more complex to review this can be extended to 20 school working days. The Centre will provide you details of the new deadline and an explanation on the delay. If you are dissatisfied with the result at stage 3, you will need to let the School know within 10 school working days of getting the response. The School will then look at your complaint at the next stage.

Stage 4 – complaint heard by Management Committee Complaints Appeal Panel.

If the matter has still not been resolved at Stage 4, then you will need to write to the Clerk of Governors giving details of the complaint and asking that it is put before the appeal panel. Should the Chair of the Management Committee have been involved at any previous stage in the process a nominated Governor, impartial to the complaint, will convene a complaints panel. The complaint will be acknowledged within 5 school working days of receiving it. The hearing will normally take place within 20 school working days of sending the acknowledgment.

The aim of the Appeal panel hearing is to impartially resolve the complaint and to achieve reconciliation between the school and the complainant. All parties will be notified of the Panel's decision in writing within five school working days after the date of the hearing. The letter will also contain what you need to do if you wish to take the matter further.

The Management Committee's appeal hearing is the last Centre-based stage of the complaints process.

From 1 August 2012 complaints about maintained schools not resolved by the school should be addressed to the School Complaints unit (SCU), Department of Education, 2nd Floor, Piccadilly Gate, Manchester, M1 2WD
