Accelerated Reader Intervention

Yes

Information

Intent/Learning Objectives	To baseline TSO reading ability
Implementation/Lesson Delivery	TSO to carry out baseline reading test from the accelerated reading programme, answer questions to determine her reading age This was carried out in a test environment with no help
Impact - ARM/Follow-up	Next action due on Tue 02 Feb 2021, by Wheeler Hannah. TSO carried out the test in 25 minutes and did incredibly well. Reading age 16.
