

# TOKENS AND REWARDS

At Summerfield Education Centre we believe that the key to promoting positive behaviour is through praise and rewards. There are numerous ways in which we reward students for different aspects of their behaviour for learning.

Students at Summerfield can achieve points in every lesson, Points are rewarded for three categories they are: **Behaviour, Effort, Punctuality/Attendance**. Points are given at the end of each lesson by the staff member that is teaching.

0 (B1)	1 (B1)	2 (B1)	3 (B1)	Behaviour	0 (E1)	1 (E1)	2 (E1)	3 (E1)	Effort	0 (P1)	1 (P1)	2 (P1)	3 (P1)

### Points are given for:

- **Behaviour** – Students need to follow instructions, ignore any negative behaviour from others are allow for a positive learning environment
- **Effort** – Students need to complete all work set to the best of their ability and attempt any extension work set.
- **Punctuality** – Arrive to the lesson on time and not leave the room without permission

The points system gives students the opportunity to work towards short term, medium term and long term rewards,

- **Short Term** - The top 10-point scoring students in the school each week receive a small reward a Certificate and a bar of chocolate
- **Medium Term** - The top 10-point scoring students in the school each term are rewarded with a top 10 trip (outside of school time) such as Go- Karting, cinema or bowling.
- **Long term** - All students who achieve over a certain percentage (decided each year by SLT) of points over a year are entitled to take part in an end

Teaching staff, teaching assistants and learning mentors can award Tokens to students. Tokens should only be rewarded when a student has done something “above and beyond” expectations.

### Tokens are given to students for

- **Going above and beyond expectations**
- **Doing extra work in school or at home**
- **Trying something new**
- **Being kind to other students**

Each token has a monetary value (cannot be exchanged for real money) tokens can be exchanged for items in the tokens shop which can be accessed using School Pod students can access the school shop with a member of staff
