What 3 skills do you need to be a shop worker?

Careers Life Ready Journey - Book 2

Thinking of the skills you have stated, what skills do you have?

How could you improve any of these skills?

Careers Life Ready Journey - Book 2

What is work?

When you apply for a job, you will fill out an Application Form and also send a CV. The Application Form is different for each employer and you generally need to attach your CV - this is something you need to start in Year 11 and something that you need to continue throughout your working life so it keeps up to date. A CV includes your name, address and contact details, your school and exam results, your employment history and any courses you go on through your work. Please remember that learning is life long and does not stop when you leave school. You also include hobbies and things you are good at, and the name of 2 references who will give your new employer an overview of your working practice.

Remember: Every day is a learning day.

When is the best time to start your CV?	Year 8 / Year 10 / Year 11
Who would do reference for you?	

Think of 3 sentences your Head Teacher may say about you to your College or new work?
