

Summerfield Education Centre Recovery Plan 2021–22 Priorities and Targets

Improvement Priority	Outcomes for Learners	Evidence/Action used to inform School and Curriculum Plans	Costings
1. Improvements in attainment, particularly in literacy and numeracy	We aim to improve our attainment across all curricular areas.	Early intervention based on the first round of progress reports and baseline information.	Accelerated Reader £2,271.00
	All young people will be supported in developing their literacy and numeracy. Particular attention will be focussed on any ‘gaps’ due to learning disrupted by Covid 19.	Covid support targeted toward pupils who disengaged during lockdown and blended learning. Literacy and Numeracy levels tracked and monitored as part of termly information.	Accelerated Reader (See above)
	Subject time developed so that pupils can gain accreditation where possible.	Qualifications to be offered through AQA unit award scheme. Aim to get whole cohorts of pupils’ extra qualifications: Personal Development Awards, Wellbeing, Work Placement or Employability.	AQA unit award Scheme £21.80 per pupil X 8 = 174.40

Improvement Priority	Outcomes for Learners	Evidence/Action used to inform School and Curriculum Plans	Costings
2. Improve pupils mental health & wellbeing	<p>Through the development of positive relationships, our young people will feel valued, respected, included and listened to in school.</p>	<p>Form tutors will be supported in their role to respond to pupil needs.</p> <p>Closer links with more families will be established to build relationships and improve attendance through emotional coaching programme (Funded separately)</p> <p>Academic & Restorative Centre will be developed as an additional space for pupils who have experienced trauma and need a place and a person to help them to regulate.</p>	<p>In school support</p>
	<p>We are prioritising the development of positive mental health for our young people as well as having a continued focus on developing young people's mental wellbeing and emotional resilience.</p>	<p>Mental Health Policy developed to support pupils and staff mental health and wellbeing to structure our approach to developing positive mental health.</p> <p>The PSE programme will be further developed to include thematic mental health resources.</p> <p>Individual SISS Support for pupils and staff</p> <p>Refresher Mental Health Lead Training (Funding given separately)</p>	<p>SISS support £72.00 per hour x 6.5 = £432.00</p>
	<p>Young people will be supported to attend</p>	<p>Poor attenders will be supported by Academic & Restorative Mentors</p>	<p>In school support</p>

	<p>school. Attendance across the school will improve.</p>		
	<p>Young people with additional needs will be supported.</p>	<p>Bespoke programmes will be implemented:</p> <ul style="list-style-type: none"> • Art Therapy • Skills for work • Life skills • PSHE. <p>Young people who cannot attend school will be supported to gain qualifications remotely. There will be online support for home learning.</p>	<p>Materials - £23.00</p>

Improvement Priority	Outcomes for Learners	Evidence/Action used to inform School and curriculum plans	Costings
3. Improvements in employability skills and sustained, positive school leaver destinations for all young people.	Young people are engaged in meaningful discussions about their skills development during targeted PSHE lessons and across all curricular areas.	Staff continue to develop opportunities for young people to articulate their skills within subjects and how they relate to future destinations	
	All young people receive regular, high quality interactions and information about destinations and career education. 1 - skills 2 - strengths 3 - personal statements 4 - CV writing 5/6 - applications	External careers advisor to meet with individual pupils to offer advice and guidance.	External Careers Advisor - £200 per term x 3 = £600.00

Covid Recovery income - £3500.00

Covid Recovery expenditure - £3500.00
